Commissioner for Patents

**Dear Examiner Kishore:**

Applicants received a Final Office Action dated 5 April 2005, in the above identified U.S. patent application.

The Action acknowledged receipt of the communication consisting of Amendment Under 37 C.F.R. § 1.111 filed on 7 January 2005 (received in the U.S. Patent and Trademark Office on 10 January 2005).

The current Final Office Action deals with examined claims 71-79 and 82-86. However, the Response of 7 January 2005 contained new claims 87-93. These added claims were not examined or mentioned in the Final Office Action.

sd-255069

Applicants therefore request a new Office Action be issued including examination of the new claims 87-93.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket No. 532512000401.

Respectfully submitted,

Dated: April 15, 2005
